Roc.No.8204 G5/46 dated 23-10-1946.

Sub: Buildings - Government Secondary Training Women, Mangalore - Occupation of a room outhouse by Mrs. K.Thangammal, School . Permission sought for.

I have the honour to report that the Inspectress of Girls' Schools, II Circle, has permitted in anticipation of approval, one Mrs. K. Thangammal, School Assistant, Government Secondary and Training School for Women, Mangalore, to occupy temporarily a room in the outhouse attached to the school, with effect from 17-8-1946, as the latter was not able to secure residential accommodation elsewhere. The Inspectress reports that the Executive Engineer, when addressed for fixing the rent to be recovered from the occupant, has informed her that sanction of Government is necessary for the occupation. In view of the present difficulty in securing residential accommodation, experienced all over the Province, I request that Government may be pleased to approve of the above temporary occupation.

2. In this connection, I may state, that, of late, I have been receiving a number of requests of this kind from the subordinate officers, for permitting ~~temporarily~~ temporary occupations of portions of either office or school buildings, the Public Works Department invariably insist, on Government sanctions being obtained in each case individually. With a view to obviating frequent references to Government I request that I may be authorised to sanction such temporary occupation of non-residential buildings, at least in respect of the non-gazetted subordinates, subject to the payment of rent fixed by the Public Works Department. In this connection I invite the attention of Government to para 2 of G.O.No.1021 Edn., dated 26-7-1943.
